19:00 SVIJET JE ZABAVAN

Kino Europa

Drama, 2012.

Redatelj i scenarist: Shemi Zarhin

Svijet je zabavan je začudno neobična i nježna nova drama/komedija izraelskoga pisca i redatelja Shemija Zarhina. Prepuna luckastog šarma, ova ambiciozna priča o pripovijedanju - i razorenoj obitelji - razvija se u ugodnom Tiberijasu u Izraelu, gdje se stvarnost i mašta pametno isprepliću. ***Svijet je zabavan*** majstorski plete mnogobrojne sudbine u sažetu priču jedne obitelji, grada i svijeta.

21:30 VANI U MRAKU

Kino Europa

Redatelj: Michael Mayer

Dvojica mladića - palestinski student i izraelski odvjetnik - sretnu se i zaljube usred osobnih i političkih intriga u ovom sjajnom debitantskom radu izraelskog redatelja Michaela Mayera. Rijetko kada je emocionalni i ljudski teret izraelsko-palestinskoga sukoba iskorišten na tako neposredan, osjećajan i senzualan način kao u ovom filmu.

U suradnji s Tjednom suvremenog plesa

Novo Karmijevo djelo ***Kerber*** korespondira s pričama i idejama iz grčke mitologije bez ulaženja u detalje pojedine priče. To je mitski i zamišljeni svijet u kojem se drugačiji život nalazi preko rijeke iza ograde drugoga svijeta. Kerber je troglavi pas čuvar na vratima podzemnog svijeta. U osnovi pokreta i motiva je ideja da on vidi sve oko sebe.
